PAYMENT SOLUTIONS

## Cash comes and goes in your business...

*What's the best way to deal with it?*

### We put the bank in your store.

Automate bank cash deposits and provide ATM cash withdrawals for your customers.

Take control of your cash with the low-cost, self-service cash recycling kiosk.

Keep your cash working for you and your customers.

**More Than a Machine. A Partner for Your Business.**  
**StashPoint is just one of the many ways Clear Choice Payment Solutions helps businesses like yours thrive.**

We offer a full range of payment solutions designed to keep your cash flowing, your customers happy, and your business growing.

- **Merchant Services** - Reliable credit and debit card processing with transparent pricing.
- **ATM Solutions** - Drive foot traffic and earn surcharge revenue with our full-service ATM programs.
- **Point-of-Sale Options** - Flexible, modern systems that keep transactions simple and secure.
- **Dedicated Support** - A real team ready to help you, not just a call center.

At Clear Choice, we believe payments shouldn't hold you back—they should push you forward. With us, you get more than a vendor. You get a partner committed to your success.
