TWO WAYS TO EARN

Run them together or on their own – both turn international card use into income instead of lost interchange.

DYNAMIC CURRENCY CONVERSION

Turn cross-border transactions into an added revenue stream, while cardholders see exactly what they'll pay.

- ✓ Earn revenue on international withdrawals
- ✓ Provide transparency with real-time exchange rates

INTERNATIONAL SURCHARGE

Boost profitability on every international withdrawal, with predictable revenue you can plan around.

- ✓ Offset rising interchange costs
- ✓ Add predictable, recurring revenue
- ✓ Keep your ATMs profitable in high-traffic locations

PEACE OF MIND FOR THE CARDHOLDER

With DCC, cardholders see the cost in their own currency, while full disclosure of fees and exchange rates ensures there are no surprises on their bank statement.

QUESTIONS, ANSWERED

Can I run DCC and Surcharge together?

Yes – they address different parts of the transaction, and together they compound the return.

Where does this pay off most?

Airports, hotels, travel corridors, and border towns – anywhere foreign-issued cards are common.

Where does Switch Commerce process?

Nationwide, plus the US Virgin Islands, Puerto Rico, and Asia Pacific – at 99.999% uptime.
